Terms and Conditions:

01. Acceptance and Governing Provisions
    Acceptance of the Order and assent to these terms and conditions shall be deemed given by the Supplier to whom it is addressed (“seller”) unless Seller gives specific written notice to the contrary.

02. Documents and Payment
    Buyer’s Order Number appearing on this Order, must be shown on all packing containers, invoices and correspondence relating to the Order.

03. Shipping and Packing
    All goods shall be suitably packed to prevent damage from shipping, marked with Buyer’s Order Number.

04. Drawings
    All drawings, specifications and data furnished by Buyer to Seller hereunder shall remain the property of the Buyer and shall not be disclosed by Seller and shall be used by Seller only as and to the extent required for the performance of the Order.

05. Use of Information
    Seller shall not reproduce, use, or disclose any data, designs or other information furnished or disclosed during the performance of this purchase order, except as necessary in the performance of this purchase order.

06. Intellectual Property Indemnification
    Seller shall indemnify Buyer, and/or Buyer’s customer against liability, including cost, for infringement of any patent, copyright trademark, or other intellectual property arising out of the manufacture of delivery of supplies or performance of services under this purchase order.
